Changes to variation WYO3 and WY1 1 for WY-Oman Air

WY-03 Live animals shipments must always be accompanied by ~~a health certificate~~ the following documents:

1. Import permit (if required)
2. Health certificate
3. Vaccination certificate
4. Pet passport (if applicable)
5. Tick & Tapeworm certificate (if applicable)
6. Microchip certificate (if applicable)

It is the shipper's responsibility to ensure that the required documents conform to the origin, transit & destination regulatory requirements. Oman Air will not be liable for refusal of the Live Animals at the point of origin, transit, or destination by the respective authorities or the consignee at the destination. Shipper will be responsible for all charges to repatriate the Animal back to the origin airport and is obliged to clear the shipment once returned.

WY-11 The following breeds are not acceptable on Oman Air aircrafts.

Dogs:
